

Dear Prospective Bride/Groom,

Hello and welcome to Moon Brook Country Club! It is our pleasure to host your event and be the place that you remember celebrating the best day of your life! Please find in this folder, copies of sample menus that you can look at and gauge what we have to offer and start to formulate a total cost. All of the linens, china, set up and clean-up costs are included in the price per person and the only additional fee is a **\$600.00 rental fee** for the club itself. This fee is in place to rent out the club for the day so that your friends and family are able to come and decorate and not have to worry about interrupting normal business.

Once you choose us, you will then need to secure a date by issuing a **\$500.00 non-refundable** deposit that will come off of your bill upon completion of your event. As always, our team here at Moon Brook will help guide you along the way through the whole process and we will be present throughout the entirety of your event.

There is the option of having the ceremony here at the club as well! We have a beautiful top deck, which serves as a wonderful location to have the ceremony overlooking the Allegheny State Park area. If you're more of an outside lover, the option to have a tent wedding outside is often exercised by many brides and grooms to be and that location would be just below the deck on the site of our old tennis courts.

If you have any questions at all, please do not hesitate to contact us!

All of the best and congratulations!

Moon Brook Country Club
